IMPORTANT INFORMATION. The costs, organization and flight booking of arrival and departure must be covered by the participants. Active-driving participants must be 18 years of age or older and carry valid national and international driving licenses.

Arjeplog

Travel to Arjeplog in northern Sweden for a truly special highlight. The driving area neighboring the BMW Testing Center close to the Arctic Circle. Here, the big frozen lakes provide ideal conditions for testing high-speed vehicle handling skills to the limit.

Clothing

In the north of Sweden, temperatures may fall to -30°C or lower, particularly at night. Warm and weatherproof clothing and suitable footwear are required. Please also remember to bring a change of lighter footwear for in-vehicle driving to ensure optimum contact and feeling for the brake and accelerator pedals under the soles of your feet.

Driving License.

Please bring your international driving license.

Air Ticket and Visa.

Please arrange your own air-ticket Jakarta – Stuttgart – Jakarta as well as your Schengen Visa. We will provide you with an invitation letter to support your visa application.
